NATURE'S

PURE TASTE

**Sustainable Plantations
Ethically Sourced Products**

Kissed by the Mediterranean sun and the clean air of the Taurus mountains, we plant, grow, harvest and process the freshest of Turkey.

Who WE ARE?

Meykon is a subsidiary company of KOBIL Group and established in 1994 by Ismet Koyun, a well-known entrepreneur in Germany.

Meykon has been serving premium products to the fruit juice industry for decades.

“With our experience, state-of-the-art facilities, high-quality production and first-class customer service, we will keep up with the latest developments – so we continue to serve only the best products for the industry.”

Ismet Koyun,
Founder and CEO

Mission

Meykon is dedicated to supply and provide highest quality products and services to its partners where highest levels of satisfaction is reached.

Vision

Being at the epicenter of agriculture, Meykon's role is to create value and increase welfare through sustainable, ethical and humanity-first farming and plantations.

POMEGRANATE

Meykon is Turkey's one of the largest global supplier of both cloudy and clear NFC juice from both Hidjaz (bitter) and Shirin (sweeter) variety of pomegranates.

TART CHERRY

Whenever tart cherries are on stage, Meykon is the most probable supplier globally. With its own plantations located in Central Anatolia, we bring nature's pure taste to the market.

RED BEET

Full of nutrients and anthocyanins, red beet gives sweet earthier taste to your blends. A natural coloring alternative for vegetable and fruit blends.

APPLE

With many applications and areas used Meykon provides high quality, perfect for blending product to its partners.

LEMON

Antalya being famous for its citrus products, perfectly ripe lemons are harvested for NFC juice and which is squeezed with decanter system to have the pulps in the product.

ORANGE

With its own plantations, we provide freshest of all. Perfect product for solely consumption and blends.

APPLE

An apple a day, keeps the doctor away. Packed with nature's finest nutrients, Meykon's fresh, locally grown, rich in vitamins apple are used in the process and has thousands of possible applications.

- 70 BX
- Range of acidity
0.8% - 3.0% (weight-weight)

TART CHERRY

Tart Cherry Juice Concentrate is produced with freshest cherries from Anatolia. Rich in calcium, magnesium, vitamin C, phosphorus, folates, and potassium, it also exhibits effects on a good night's sleep thanks to its melatonin content.

- 65 BX

POMEGRANATE

An extra special fruit that shows antioxidant and anti-inflammatory properties, mainly used in beverages industry. Obtained from both Hidjaz (bitter) and Shirin (sweeter) variety pomegranates.

- 65 BX
- Range of acidity
3.0% - 7.0% (w/w)

STRAWBERRY

A special and color sensitive fruit specifically harvested and processed for products in beverages and bakery industry.

- 65 BX

ORANGE

Available from the plantations of Meykon at Mediterranean shores, Meykon's orange varieties are Valencia, Washington Naval and Jaffa oranges with high yield and pulp ratio.

- 65 BX
- Pulp ratio 3.0% - 11.0%
- Low pulp available

BLACK CARROT

Available with different color units, black carrot juice concentrate is used for natural coloring agent for red color and its tones. With multiple collection points, wide range of specifications available.

- 65 BX
- Color unit 1.5 – 14.0

LEMON

Meykon's fruit collection region and points are famous for its high acidity and pulpy lemons where only high-quality lemons are processed for ultimate quality. Used for lemonades and fermented products, great natural source for balancing acidity.

- 44 BX, 55 BX
- Clear and cloudy available
- Acidity range 20% - 40%(w/w)

ORANGE CARROT

Mainly used for its beta-carotene content, orange carrot is also perfect ingredient for blends and compounds to have earthier and sweeter taste. It is available year around.

- 40 BX – 55 BX
- Clear and cloudy available.

PEACH

Collected from northern regions of Turkey, peach has few applications across the industry. Using a sweetener as well as mixing with tropical blends, it is perfect for balancing recipes.

- 65 BX

RED BEET

Available as natural coloring agent and used for vegetable blends, red beet has earthier taste and is an alternative source for coloring to black carrot.

- 65 BX
- Color unit 1.5 – 3.0

GRAPEFRUIT

An alternative source for Vitamin C and related blends as well as multifruit compounds. Volumes are limited thus it is available based on pre-seasonal contracts.

- 65 BX
- Pulp ratio 3.0% - 8.0%
- Low pulp available

QUINCE

An alternative source as a sweetener. Similar properties to apple and pear products. Volumes are limited. It is available based on pre-seasonal contracts.

- 65 BX

PEAR

Another alternative source as a sweetener. Similar properties to apple and quince products. Volumes are limited. It is available based on pre-seasonal contracts.

• 65 BX

PUREE

Discover Meykon's Puree Line Up

**Conventional
Organic
Baby Food Quality**

APPLE

Widely used for different applications, Meykon offers apple puree with a touch Mediterranean twist. Available year around, pear puree is processed through cold extractor for utmost quality.

- 12 BX – 14 BX
- Range of acidity 0.2% - 1.0% (w/w)

PEAR

Widely used for baby food applications, Meykon offers pear puree with a touch of Mediterranean twist. Available year around, pear puree is processed through cold extractor for utmost quality.

- 11 BX – 13 BX
- Range of acidity 0.2% - 0.5 % (w/w)

STRAWBERRY

Offered based on customer request and pre-seasonal contract where Meykon produces single strength strawberry puree for all possible applications.

- 7 BX – 9 BX

CHERRY

Offered based on customer request and pre-seasonal contract where Meykon produces single strength cherry puree for all possible applications.

- 14 BX – 18 BX

FIG

Made out of infamous Turkish figs Meykon offers high quality fig puree only made during its ripest season.

- 16 BX – 20 BX

PUREE *Concentrates*

**Innovate with Meykon's
Puree Concentrates**

**Conventional
Organic**

APPLE

Made from the raw materials of Meykon's own plantations, it is a product of high consistency and mainly used for blending and filling material purposes.

- 30 BX – 32 BX
- Range of acidity 0.2% - 1.0% (w/w)

PEAR

It is an alternative product to apple puree concentrate and processed based on project and pre-seasonal contracts.

- 30 BX – 32 BX
- Range of acidity 0.2% - 0.6% (w/w)

PEACH

Perfect cost/performance product for the blends to increase consistency while providing sweet taste and stability. It also gives natural golden color to your product Available year around.

- 30 BX – 32 BX

APRICOT

Another alternative for blends to increase consistency while providing sweet taste. Apricots are known for their fiber content as they are mainly used in beverages and dairy industry applications. Available year around.

- 30 BX – 32 BX
- Botswick 23 -24 cm

Creative Ideas

**Ingenious &
All-in-one Solutions**

We know ingredients inside and out. Our extensive beverage ingredient portfolio is just one measure of our commitment to provide you with the best possible solutions for consumer-winning applications. We keep global eyes-wide-open, consumer-centric view of the emerging trends that affect your products, because to succeed, we all need

to know what consumers want today, and tomorrow. Need to have a simpler label? Reduce sugar? Enhance nutrition? Your challenges are solved, here. To keep your business nimble and to help sustain your peace of mind, we are committed to the quality assurance and global supply chain integrity that keep everything working.

Seed & Kernel **OILS**

We call Upcycled Oils.

**Sustainability is in
our DNA.**

CHERRY KERNEL OIL

It contains polyunsaturated fatty acids such as OMEGA-6 and OMEGA-9, as well as ALPHAESA. It is a natural source of antioxidants and vitamin E and is acclaimed for its effects as a skin moisturizer, anti-inflammatory and, when it is unrefined, as a culinary addition.

Mainly used in the cosmetics industry for skin applications and skin care, and in the food industry for gastro-culinary meals, Meykon can offer both conventional and organic unrefined versions of this product.

APRICOT KERNEL OIL

Contains highly precious oleic acid (OMEGA-9), linoleic acid (OMEGA-6), alphalinolenic acid (OMEGA-3), vitamin E and vitamin A.

Due to its structure, it is best known for cosmetics and pharma use. It exhibits positive effects on skin-related aging, skin care and wounds. Meykon offers conventional and unrefined version of this product.

POMEGRANATE SEED OIL

Oil from pomegranate seeds has mildly acidic taste that quickly disappears when blended with mixtures. It contains Vitamins A, B, D, E as well as the minerals potassium and magnesium. It contains flavonoids and punnic acid which is also known as Omega - 5, and has been in use for health care applications.

Acclaimed benefits are that rejuvenates aging skin, deeply moisturizes the skin, helps to reduce wrinkles, and contains anti-oxidant.

APPLICATIONS

Many Businesses, One Ingredient

BEVERAGES

We provide fresh, locally grown beverage ingredients like juice concentrates, NFC juices, purees and puree concentrates.

DAIRY PRODUCTS

As the global dairy products industry grows, our purees and juice concentrates are ideal for both current and upcoming releases.

CONFECTIONERY

No more artificial coloring. Our highest quality purees, puree concentrates and juice concentrates are perfect for food coloring and aromas.

COSMETICS AND PERFUMERIES

The cosmetic and personal care industry is placing ever-more focus on high-quality products. Our unrefined seed and kernel oils are used around the world.

BABY FOOD

The need for sustainable and organic food is rapidly increasing. That's why our farmers pay special attention to all our fruit destined for baby food products.

BAKERY

Across the bakery industry, demand for fresh juice concentrate is soaring. We are meeting this surge with the highest level of quality.

PACKAGING *Options*

MEYKON offers various kinds of packaging options upon your request.

• Plastic Drums
220 lt net volume
Up to 265 kg net weight

• Steel Drums
216,5 lt net volume
Up to 265 kg net weight

• Conic Drums
218 lt net volume
Up to 275 kg net weight

• IBC up to 1000 lt net volume
Up to 1350 kg net weight

Flexitank upto 24.200 kg net weight

Products can be filled aseptically or non-aseptically with double PE bags.

PREMIUM

— *quality* —

MEYKON is well aware of the importance of the quality and has always invested in higher quality production. International quality certifications have been framework to guide our quality policies.
